

Our Go-Kart parties are fully mobile and can travel to your area. Contact us and it will be more than likely that we can come to you with our inflatable track and 4 Go-karts.

For private parties there will be a non-refundable deposit of £30 if held at one of our venues. The parties can be held indoor or outdoor, obviously depending on the weather for outdoor circumstances. If your garden is big enough for our 15M x 11M track then you have the option of having it at home. If not a local hall, school playing field/car-park, sports ground and we also currently have 2 fixed venues;

Crosby Leisure Center

Mariners Road, Crosby, Merseyside L23 6SX

St Mary's Sports Hall

100 Liverpool Road, Crosby, Merseyside L23 5TG

Children are all given full instruction on how to drive the Go-Karts and a safety briefing before the activity begins. The karts will begin at a slow speed to ensure that the children can control and become used to the Go-Karts. Therefore it gives them the idea that if they drive well, they will be able to go faster on their next time round. Obviously the speed range will vary for different age groups and that is why we aim to have children of the same age driving at the same time.

During the party if time permits, traffic cones will be placed within the track which will put the children to the test and challenge them to drive in and out of the cones without knocking the balls off. There are several other driving games we play with the children including 'Karting Statues' where we stop the music and the last one to stop is out. Whilst the children are waiting for their turn they are encouraged to cheer for their friends and also usually for private parties we may be able to provide a bouncy castle for the children.

At the end of the party, the birthday boy/girl is given a lap of honour while cheered on by friends who have the opportunity to sing happy birthday to the child.

They are then presented with an engraved trophy and the other children will all receive Go-Kart Party Driving Certificates.

If your party is being held at Crosby Leisure Center food arrangements can be organised, as the center provides a restaurant which will provide party meals and a dining area where the tables and chairs can be setup for food and birthday cake. This must be organised previous to the party and is all made possible through contacting the leisure center on: 0151 9329080

If your party is being held at St Mary's Sports Hall they also have a dining area but your own food would have to be provided.

It's also suggested for the children to have their food after the party is finished.
