

Go-Kart Kids Party are proud to announce that we are now on Facebook.

We currently have a business page set up on Facebook which is updated on a regular basis with news and general information. These updates are displayed in the left hand column of our site.

We are also in the process of setting up a standalone Facebook profile which will operate as a standard profile where you can do all of the normal things you do on Facebook.

Both of these pages will be managed and updated by Megan, so if you have any queries or concerns regarding them, please use our contact page to raise them.

We would be very grateful if you could post any ideas and/or suggestions on how we can improve the web site using either of these Facebook pages.
